

GRAND JURY

PO BOX 4910
SAN LUIS OBISPO, CALIFORNIA 93403

Dear Reader:

Each year the Grand Jury is required to issue a Final Report of its investigations at the end of its term. Typically, this report is distributed in early July. This year, the Grand Jury is producing a series of interim reports that will be included in the final report as a way of keeping the citizens of San Luis Obispo County informed of its Investigations, findings and the recommendations it has made to the agencies. In addition, this allows the agencies time to respond to the Grand Jury while the Jury is still convened. We are pleased to enclose a copy of this Grand Jury interim report. If you have any comments or questions please address them to the Grand Jury at the above address.
